WEATHER STRIP REMOVABLE ACCESS DOOR

PRODUCT DESCRIPTION

Trade Access WSR Series Weather Strip Removable Access Doors are fabricated from 16-gauge galvanized steel with a white prime coat finish suitable for painting. The fully removable door panel is held in place by multiple screwdriver-operated latches and includes rounded safety corners. The one-piece, 1-inch-wide frame has no miters or welds on its face and includes a weather-strip gasket between the panel and frame to provide a flush air seal. Wall frames include 1/4-inch mounting holes for fastening within furred spaces.

FEATURES

- Fully removable door panel is retained by multiple screwdriver-operated latches.
- Flush weather-strip gasket is installed between the door panel and frame.
- Door and frame are fabricated from 16-gauge galvanized steel.
- White prime coat finish is suitable for painting.
- Door includes rounded safety corners.
- One-piece 1-inch-wide frame has no miters or welds on the face.
- Wall frame includes 1/4-inch mounting holes for fastening within furred spaces.

APPLICATION

Used to provide concealed access openings in wall and ceiling assemblies where a removable gasketed access door is required.

MATERIAL

Frame: 16-gauge galvanized steel

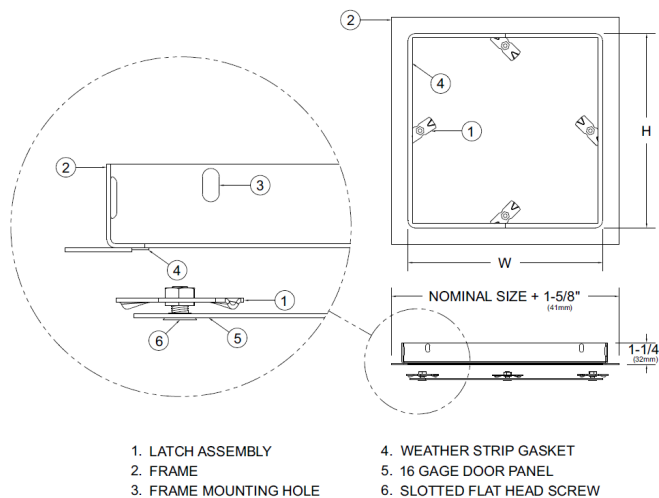

Door: 16-gauge galvanized steel
